

July 2026 China Teaching Opportunity

ESA Communications Toolkit for District Outreach

Opportunity Overview

AESA Global invites U.S. public-school educators to apply for a fully supported, two-week international teaching experience in China in July 2026.

Selected educators will teach STEAM with integrated English to students in Grades 5–9 while engaging in cultural exchange, professional collaboration, and immersive learning in one of AESA Global’s partner regions in Shandong or Shaanxi Province.

This opportunity is ideal for educators seeking to expand their global perspective, strengthen instructional practice, and bring authentic international experiences back to their classrooms—without personal financial burden.

We are asking AESA members to **help in sharing this opportunity** with teachers across your districts. Thank you for supporting AESA Global’s efforts to expand international learning experiences for U.S. educators.

Subject: July 2026 International Teaching Opportunity – Fully Funded (China)

AESA Global is accepting applications from U.S. public-school educators for a fully supported, two-week teaching opportunity in China during July 2026.

Selected educators will teach STEAM with integrated English to students in Grades 5–9 while participating in cultural exchange and professional collaboration in AESA Global partner schools across Shandong or Shaanxi Province.

The program includes full travel and living support, on-site assistance, and compensation of \$4,000 total.

Educators interested in global learning, project-based instruction, and international experience are encouraged to apply. More information is available: <https://www.aesa.us/teach-in-china-july-2026/>

Application materials (resume, brief cover letter, and digital photo) should be submitted to Meimei Zou, AESA Global Director of Projects, at mzou@aesas.us.
