CoSN 2025 State of EdTech Leadership Report

CoSN recently released the *CoSN 2025 State of EdTech Leadership Report*. Now in its twelfth year, this annual report is based on findings gathered from CoSN's 2025 State of EdTech District Leadership Survey. Through an analysis of the most recent survey responses, the *CoSN 2025 State of EdTech Leadership Report* provides important benchmarks on emerging AI technologies and evolving cybersecurity measures. This annual report gives multiple education stakeholders current insights and guidance to help inform their thinking and considerations when making decisions regarding education priorities and budgets.

The *CoSN 2025 State of EdTech Leadership Report* includes key findings on the following topics:

- Digital Connectivity
- Artificial Intelligence
- Cybersecurity
- Interoperability
- EdTech Leaders
