

Invitation to Explore STEM-Centered Education Excellence: Korea and Singapore

December 16, 2023

Dear Esteemed School District Executives and Board Members,

We are thrilled to extend an exclusive invitation to you and your team to join *ACES International Office of Education* for a transformative and immersive educational tour in Korea and Singapore. This unparalleled opportunity aims to expose participants to the cutting-edge landscape of STEM-centered education and workforce-related curriculum in these two progressive nations.

Experience the Future of Education:

Embark on an enlightening journey where you will step into classrooms at the forefront of STEM innovation. Witness firsthand the dynamic teaching methodologies, state-of-the-art facilities, and collaborative learning environments that have propelled Korea and Singapore to the forefront of global education.

Cultural Enrichment:

Beyond the educational aspects, our program ensures an immersive cultural experience. Engage with local communities, explore historical landmarks, and gain insights into the cultural nuances that contribute to the success of their education systems. This holistic approach will provide a comprehensive understanding of the factors influencing student achievement and educator success.

Cooperative Exchange for Global Impact:

Forge meaningful connections with international educators, board members, and administrators through a structured cooperative exchange. This exchange will serve as a catalyst for fostering cross-cultural collaborations, enriching your perspectives, and establishing enduring partnerships that transcend borders.

Bringing Global Insights Home:

Our goal is for participants to return equipped with actionable insights and a global perspective to enhance your local education systems. The knowledge gained will empower you to implement strategies, curriculum enhancements, and workforce-related initiatives that align with global best practices, ensuring your students are well-prepared for the challenges of the 21st century.

Key Details to the *Education Executives in Excellence* Delegation:

- Destinations: Korea and Singapore
- Duration: 10 days in-country, April 21-April 30, 2024.
Based on U.S. locations of participants, flight departures can begin on April 19-April 20, 2024.
- Activities: institution and classroom visits, workforce development, cultural excursions, and professional cooperative exchanges
- Benefits: Global insights, networking opportunities, and actionable takeaways
- Anticipated Cost: \$6800 (single room) or \$6300 (double beds for a team of two) per participant for an all-inclusive experience that includes round-trip flight, accommodations, meals, and entrance fees. Cultural preparatory workshops, itinerary activities, tour oversight are provided by ACES for a personalized and exclusive tour. *Added amenities are at an additional cost.*
- All participants are required to provide valid passport information upon registration or before February 20, 2024 for expedited passport issuance.

Seize this opportunity to be at the forefront of educational innovation. Join us in Korea and Singapore to revolutionize your approach to STEM education and workforce-related programming.

Kindly confirm your interest before January 15, 2024.

Non-refundable security deposit (\$1,000 per participant) and registration form are due no later than February 1, 2024. Limited spaces are available for this exclusive experience. Itinerary details and preparatory workshop schedule will be provided upon registration.

Together, let's shape the future of education.

Sincerely,

Jason Hiruo, Director
