About the East Greenwich Community

Incorporated October 13, 1677, East Greenwich is the 8th oldest town in the state of Rhode Island. The Town has many thriving businesses and restaurants, as well as abundant historical landmarks to visit within a short walking distance of Main Street. East Greenwich is approximately ten miles south of Providence, the state capitol, and is situated in close proximity to the Massachusetts border.

East Greenwich is centrally located on the west side of the beautiful Narragansett Bay. A relatively small suburban community with just over 14,000 residents, the town is frequently recognized for its livability, walkable downtown with a variety of excellent restaurants, shops and other businesses, and sense of community. The quality of East Greenwich Public Schools is a frequent reason community members move to East Greenwich, and as such, plays a significant role in the town and community. Underlining this commitment to education, in 2023 the community approved a \$150 million bond to renovate and rebuild East Greenwich school buildings. This generational investment will ensure students and educators have the best possible facilities for decades to come.
